A NEW MAGAZINE FOR UP-TO-DATE LIFESTYLE

We had nothing particular in common except one thing. We don't want to be big-mouth – anyways this isn't a compliment – but whenever we've seen a Playboy, Glamour or Vogue we got a feeling that they wanted to look like us, to be us but they didn't know how.

Finding your role in today's century, defining you and yourself is tuff. Therefore, we have made this magazine as a helping hand. Gain knowledge, gain strength, gain points. 39 is so today and after reading it you will become the same. Fashion is about finding your position, your style, if you're not able finding it, we certainly will tell you.

Magazine is dead, long live magazine.

PRODUCTS OF THE 21ST CENTURY

SNEAKERS 63

Running, sleeping, walking, talking, relaxing or working, sneakers should do the job. Shiny shoes or high heels aren't longer the dresscode. Everyone should wear sneakers, young & old. So get your sneakers, go get them!

CAREER 37

Ever considered having a career? You certainly should. Better start university if you want to do the big bucks. Wearing a suit on your way to work just makes you feel a bit better. 9 to 5 is so yesterday, your job should be your lifestyle.

FAMILY 11

Earlier being young till the age of 40 was "the bomb", sorry not any more. This season family is a must have. Driving kids to school or football practice just makes you feel hot. Go get bride, groom & kids.

MILK 8

*Healthy lifestyle, that's what you ought to have, therefore be sure to drink milk.
Half a liter a day keeps the doctor away. But doing it for your own health and self
esteem isn't everything. Be sure to be seen in the streets. Milk in one hand, iPod
in the other is what to predict this autumn, don't miss it.*
